

Studio Equipment List

The main control room here at KWMC Studio consists of the following:

- iMac 27"
- Allen & Heath Qu16 Mixing Desk
- Roland RD64 Piano
- Roland JD-Xi
- iConnect MIDI 4 interface
- KRK Rokit 6 studio monitors
- Genelec Studio monitors
- Shure SM58 (for talkback to the live room)

We also have a 19" rack housing containing:

- TL Audio Dual Valve Compressor
- Alesis 3632 Digital Compressor
- Focusrite Voice Master Pre Amp
- Roland D110 Digital Sound Module
- MOTU HD192 Audio Interface

PLEASE NOTE: Unless you are proficient in using the rack modules, please do not attempt to use them. These are highly expensive pieces of equipment and can be easily damaged AND damage other connected studio equipment if not used correctly.

We offer studio induction sessions at £10 p/h. If you would like to learn using any of the modules, please inform Front of House.
