# CELEBRATING WOMEN PROGRAMME

Wednesday 9th March 2022

**JOIN US FOR A FREE PROGRAMME OF EVENTS THAT  
CELEBRATE AND INSPIRE WOMEN.**

## **ENTERPRISING WOMEN: WHAT I NEVER KNEW I NEEDED TO KNOW! ONLINE TALK W/ Q & A; 12 – 1PM**

Bristol is home to so many pioneering and inspirational women in business. Join us as we ask them how it all began and what they have learned along the way.

## **FACTORY OPEN DAY FOR WOMEN; 2 – 5PM**

Join us at The Factory to see our creative workshops in action, come and get hands on with our new equipment, experiment with biomaterials and takeaway some goods. You can also find out more about our upcoming support programmes for people starting or growing a creative business.

## **WHAT IS THE FACTORY?**

The Factory is a community makerspace based in South Bristol. We offer skills, training, business support and workspace to a vibrant community of makers, creatives and hobbyists.

## **WHO IS IT FOR?**

These activities are for people who identify as women and are over 16. You do not need any experience to attend. All sessions are totally FREE.

## ONLINE TALK Q&A: ENTERPRISING WOMEN: WHAT I NEVER KNEW I NEEDED TO KNOW

### THE SPEAKERS

#### **LAURA AVILES; SENIOR BRISTOL FILM MANAGER**

A production specialist with more than 25 years industry experience, Laura oversees delivery of Bristol City Council's filming strategy, promoting Bristol as an outstanding filming location and ensuring the city can deliver a single, complete and consistent offer that encompasses studio filming at **The Bottle Yard Studios** and Bristol Film Office's logistical support for productions on location.

#### **KIKI PADDY; BARRISTER, ENTREPRENEUR AND MARKETING CONSULTANT**

With extensive experience in strategy and operations, Kiki's career spans across several industries including housing, legal, social enterprise, and technology. As the acclaimed voice of **Black Professionals Network**, she champions a vision to empower all black and ethnic minority professionals to advance in their careers and reach their full potential.

#### **BECK PRIOR; AWARD WINNING MAKER AND BUSINESS OWNER**

With great energy and strength Beck has established her own sustainable product brand; launched two design-led, contemporary, award winning shops in Bristol; creates large scale, community led creative projects and continues to offer support and guidance for the small business community.

#### **TALIA LODERICK; MONEY COACH**

Talia offers one-to-one coaching helping women understand their emotions and beliefs around money so they can improve their behaviour with money, feel better and be better with money. Talia also delivers financial education workshops to 11-19-year-olds, helping young people build lifelong money-management skills.

#### **AIMEE SMITH; CO-FOUNDER OF 'AIM2BE'**

Aimee, co-founder of Aim2Be, demonstrates how you can be both heart-led and business minded. Aim2Be's "aim" is to inspire self-awareness, personal development and co-creation to empower you to embody your true potential through wellbeing, business coaching and community events.
