

## Western Room

Our main conference room is equipped with a Logitech Group PTZ camera and intercom system. Connecting your laptop is simple and convenient.

<https://youtu.be/UwwFOryXvi4>

Our Meeting Owl conference camera can also be set up in the Western Room.

\*If you own an Apple device, Airplay connectivity is available for screen mirroring.

- Logitech Group PTZ camera and Conference intercom
- LG 42" Television - HDMI Connection with USB Type C dongle

(Apple Airplay connectivity available - Mac only)

## Meeting Owl Hybrid set up

The Meeting Owl is an all-in-one 360° conference camera, microphone, and surround speaker. Due to its size and simplicity, this can be set up in any of our available rooms for your meeting. Designed for meetings with up to 8-10 participants.

<https://youtu.be/Njh5TqP62tE>

- Meeting Owl
- Iiyama 49" monitor (mounted on a mobile tv stand)
- Connectivity - HDMI, USB Type C

## Main Studio Hybrid Workshops

Our main studio hosts our powerful Panasonic xxxx projector and is ideal for your presentations whether its a PowerPoint slideshow or video playback. Our 49" Iiyama monitor (mounted on a mobile tv stand) is also available if you are presenting to smaller groups.

If you are planning to bring remote participants into your workshop via Zoom or Microsoft Teams, we can facilitate your needs with wireless microphones and audio output options.

Our tech team will provide you with an Apple MacBook Air to set up your video call and connect to our audio systems.

- Audio - 5.1 Surround Sound or Bose Active Speaker System
- Wireless microphones (1-4)
- Wireless Lavalier system (1-2)
- Wired microphone options

- Allen & Heath QU16 Digital Mixer
- Webcam options \*\*available on request

All devices being used, and any connections requirements should be specified in the booking form prior to the event.
