

# KWMC WORK EXPERIENCE

Are you interested in...

Design

Architecture

Social justice

Engineering

Sustainability

Creativity

Climate change

Construction

Community ?

You should apply for  
**Work Experience at**

# KWMC

**KNOWLE WEST MEDIA CENTRE**

Our mission is 'Making Thriving Neighbourhoods, with Art, Tech & Care'. We are all about using different, creative ways of engaging with issues facing our local and global community.

## On this week you will:

- Develop confidence in work skills including communication and teamwork.
- Visit locations around the city of Bristol, to learn from professionals about their workplace and jobs.
- Learn about a variety of job roles in STEAM\* industries. These job roles might include engineers, construction workers, software developers, designers, architects and more!
- Get involved with live projects at the Media Centre and KWMC The Factory
- Learn about career and education pathways into a variety of roles

\*We are champions of STEAM over STEM: Science, Technology, Engineering, Arts and Maths. We believe that the inclusion of Arts encourages a creative lens for solving challenges of our collective future.

## We will be running Work Experience on these dates:

- 1st – 5th July 2024
- 8th – 12th July 2024

## How to Apply:

Complete the KWMC application form [here](#) or

**Deadline: Monday 26th of February 2024**

You will find out if you have a confirmed space by the week commencing March 4th 2024
