## Maker City

AGES 10–13

Get playful and experiment with digital making, creative technologies and social action! Try out different kinds of making at The Factory, using laser cutters, 3D printers, vinyl cutters and let your imagination go wild!

📍 The Factory

📅 Tuesdays

🕒 4:30-6:30pm

## Maker City+

AGES 14–17

Develop your imagination and practice - learn about built environment, run your own projects, meet engineering, architecture and design mentors and get to know more about how your creative interests and skills could lead to future pathways, including work experience, training and jobs!

📍 The Factory

📅 Tuesdays

🕒 4:30-6:30pm

## SoundWave

AGES 10-13

Want to make music, learn instruments, record sound or DJ? Meet other young people, experiment with the latest sound technology and get your voice heard!

📍 KWMC

📅 Wednesdays

🕒 4:30-6pm

Scan or visit [tinyurl.com/ypp-2025](https://tinyurl.com/ypp-2025)  
to register your interest.

## Creative Hub+

AGES 14-17

Meet other people, experiment with new creative technologies, take your own projects to the next level and decide what artists and technologists you want to learn from.

📍 KWMC

📅 Wednesdays

🕒 6:30-8pm

## SoundWave+

AGES 14-17

Want to jam, write, produce or record music? Be part of a growing community of young musicians, DJs, producers and creatives at this welcoming music studio night. Use our instruments, software and recording equipment to produce your own music.

📍 KWMC

📅 Wednesdays

🕒 6:30-8pm

# Other Activities

## Radical Creators

AGES: 10-17

Play around with lots of different mediums: photography, film, making, music and more. Explore how art and tech can be part of making a change in your community! We'll develop creative ideas and be change-makers together!

### 📅 **October Half Term:**

Tuesday 28 - Thursday 30  
October, 10-3pm

📍 KWMC & The Factory

## Other opportunities to get involved:

### Youth CoLab

For all young people who come to KWMC sessions: come for a creative fun day and use your voice to make change. Sign up to any of our other sessions to get an invite!

### Work Experience

AGES: 14-17

Looking for experience in STEAM and creative industries? Get in touch to find out more!

📅 June & July 2026

✉ [school@kwmc.org.uk](mailto:school@kwmc.org.uk)

### Schools Programme

Are you a parent or teacher at a secondary school, college, or Adult Learning Provision in South Bristol? We can run free creative sessions at your school - from hands-on workshops to inspiring assemblies and careers fair stalls!
