Free activities for young people

For 10-17 year olds who live or study in
BS4, BS3 5, BS13 & BS14

SEPTEMBER 2026 - JULY 2027

After-school Sessions

Creative Hub

AGES 10–13

Get creative with art, music and technology! Try out animation, music production, digital instruments, VR, gaming, photography, digital drawing and more. Meet new people, learn new skills and bring your ideas to life.

🕒 Mondays - 4:30-6:00pm

Maker City

AGES 10–13

Get playful and experiment with digital design and making things and social action! Try out different kinds of making in our Making Space like laser cutters, 3D printers and vinyl cutters. Let your imagination go wild! Perfect for future engineers and visionaries.

🕒 Wednesdays - 4:30-6:30pm

After-school Sessions

PLUS+ Night

AGES 14–17

Develop your creative skills, collaborate and pick your route! Choose from our regular weekly sessions below. Visit our website or get in touch to find out about our other short courses, workshops and special projects running throughout the year.

🕒 Tuesdays - 5:00-7:00pm

SoundWave+

Jam, write, produce or record music. Join a welcoming community of young musicians, DJs, producers and creatives. Use our instruments, software and recording equipment to create your own music and develop your sound.

Photo credit: Ibi Feher

Maker City+

Expand your imagination and creative practice. Explore architecture, engineering and design, lead your own projects and meet inspiring professionals. Discover how your interests and skills could lead to work experience, training and future careers.

October Half Term 2026

Radical Creators: Smartphones

AGES: 14–17

Who gets to decide what's good or bad about smartphones? Join a team of young co-creators to explore one of the biggest debates facing your generation. Work with artists and researchers to invent a fun, creative tool that gets people talking about digital life and puts young people's ideas at the centre of the conversation.
